CHARLOTTE FARMS

The Charlotte Grange is proud to present this map of Charlotte farms. Our goal is to increase Charlotters' awareness of local food options and increase traffic to our farm stands and growers.

There are a lot of farms in Charlotte! We decided to highlight the ones selling food products directly to consumers in this map. We hope you'll use the map to visit local farms to nourish your family, for enjoyment, and to deepen your own roots in Charlotte's food system.

Since its founding in 1908, the Charlotte Grange has offered programs that honor our agricultural roots and help build a resilient future for all. Our sturdy little Grange Hall in East Charlotte has been an integral part of the community for 150 years. Membership is open to all. Learn more by visiting www.charlottegrange.org.

We welcome your feedback. Contact us at charlottegrangevt@gmail.com to be in touch or with any suggestions for future editions of this Charlotte Farm Map.
